- Super Sale Extravaganza

- A Sub-Par Weather Pun
- Contest for The Big Apple
- Domain Launch to Take Pride In
- A Pig-Inspired Throwback

DEALS & DISCOUNTS

Who says we need a reason to celebrate?
Here's your September lineup of special sales.

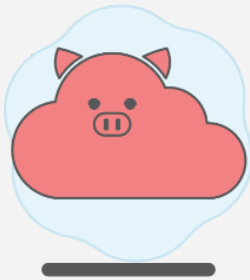

.EVERYTHING IS ON SALE!? (almost)

Let's face it. This year has been, well, this year. As another season nears its end, and far too many unknowns still loom, we thought we'd offer a bit of good news all bundled up in your favorite bow: DISCOUNTS.

Now through September 27, all of the domains below are on sale. YUP, ALL OF 'EM. Add your personal spin to whatever "dot" you choose, and go hog wild.

.agency .art .asia .audio .beer .best .biz .blackfriday .buzz
.casa .christmas .click .cloud .club .co .com .cooking
.courses .cyou .design .diet .fashion .fishing .fit .flowers
.game .garden .guitars .help .hiphop .horse .hosting .icu
.info .ink .juegos .lgbt .life .link .llc .lol .me .mom
.monster .net .org .photo .pics .pro .property .rodeo .sexy
.shop .study .tattoo .tel .tube .vegas .vodka .vote .wiki
.work .world .xyz .yoga

GET 'EM ALL. DO IT.

.cloud

~~\$16.26~~ **\$2.99 / first year**

Weather (*ha*) you're a meteorologist or internet tycoon, .cloud may just hold your pot of gold. Beyond the super sale extravaganza, .cloud is discounted all month long. But why wait?

Follow the Rainbow

.nyc

~~\$21.91~~ **\$13.68 / first year**

Enter to Win Best of Boroughs

Start spreading the news... .nyc's Best of Boroughs contest is back! Now through September 30th, **enter your .nyc site** for a chance to win \$5,000, plus endless borough bragging rights. No little town blues here!

INDUSTRY UPDATES

.GAY HAS ARRIVED!

You've been waiting. We've been waiting. The time has come, friends. The domain for LGBTQ individuals, communities, allies, and businesses around the world is now readily available and awaiting your name! Tell your story. Share in celebration. Honor decades of history and progress while helping to create a safer, more welcoming future for all. It's about time!

[Get .gay](#)

For more info about .gay (in gif-form), check out our latest blog post.

[Get Giphy With it](#)

Extra points for naming that reference. @ us ;)
